SONG with answers.

The snow glows white on the **mountain** tonight.
Not a footprint to be seen
A kingdom of isolation, and it looks like I'm the **queen**. The **wind** is howling like This swirling storm inside. Couldn't **keep** it in; Heaven knows I **tried**
Don't let them in, don't let them see. Be the good girl you always **have to be**, **conceal**, don't feel, Don't let them know . Well now they know .
Let it go, let it go can't **hold back** any more .
Let it go, let it go . Turn away and slam the door I I **don't care** what They're going to say : Let the storm rage on .
The cold never bothered me **anyway**.

It's funny how some **distance** makes everything seem small
And the fears that once controlled me
Can't **get to** me at all It's time **to see** what I can do to test the limits and break through . No right, no **wrong** no rules for me, I'm free!
Let it go, let it go I am one with The wind and sky. Let it go, let it go You'll never see me cry. Here I **stay** and here I'll **stay**. Let the storm rage on . My **power** flurries through. The air into the ground My soul is spiraling in **frozen** Fractals all around And one thought crystallizes Like an icy blast I'm never going back, The past is in the **past**.
Let it go, let it go And I'll **rise** like the break of dawn. Let it go, let it go That perfect girl is gone . Here I stand In the light of day Let the storm **rage on** . The cold never **bothered** me anyway .
